**Principal’s Message**

Last week I was stunned watching the vast majority of students coming to school through bucketing rain doing so without any wet weather protection. They need a compact umbrella or whatever other rain protection they choose because a day in wet clothes is not only uncomfortable but unhealthy. This requires proactive parenting to ensure that rain protection is always in their bags. I know that our shared kids won’t raise this with their parents and hence the “mother McNally” side of me is.

Invoices for all fees and levies have now been sent home and we really need everyone to make their payments as soon as possible. While some fees are voluntary all materials contributions must be paid to cover bulk buys of low cost materials we purchase on behalf of those choosing practical courses. Payments can be made by cash, cheque or credit card either by phone or in person. Fee relief may be applied for through the Principal by families in clear financial stress. This is an annual application and does not automatically roll over from year to year. Your support is greatly appreciated by staff, students and myself.

We have been approached by Austrade to establish a link, initially by video, with a “Japanese Super Science High School” in Hokkaido because Menai High is known for it’s strong science programs and their applications in Agricultural and Environmental Sciences. The DEC Director of International programs, Elizabeth Webber wrote “What a fabulous school you have!!!” when I shared our delight at the prospect of enriching Science for our students through this opportunity. The opportunities available through the farm, marine studies and the science based “Talented and Gifted” offerings were acknowledged as truly amazing. The video conference is scheduled for June 19 and I am looking forward to the outcomes.

Next week I am presenting a paper to the NSW Secondary Principals’ State Conference on how we have embedded sustainability and environmental citizenship throughout the Menai High School curriculum. Of great interest is how we have created a school that “walks the talk” of sustainability through our huge capacity to generate our own electricity through solar power generation; water harvesting to the extent that we are waste water self sufficient; eco friendly farming; marine facilities supporting a multi-school Boat Smart program; multiple outdoor learnscapes; flood mitigation project that created a Putt Putt golf course and 15 years history of paper recycling. There is great interest across the state and I am very proud to represent what this learning community has done.

Year 11 Year Advisers Mr Meagher and Mrs Hatzi have shared their delight in the massive recognition of Year 11 students clearly demonstrating pride in their study and learning and being acknowledged by their teachers via a “Nerd Pride” certificate. Bill Gates reminded us years ago to “love Nerds” because they will probably become leaders, bosses, shapers of our world and generally good for everyone. To date 65 Year 11 have joined the push for “Nerd Pride” recognition. I revel in their success.

Congratulations James Markovic for being selected in the NSW CHSSA All Schools Soccer Team. This is the highest honour a NSW student can attain and we are proud of his achievements and wish him well.

The future of our shared children is totally linked to their educational opportunities. Please have a quick look at two websites so that you are informed about planned lost funding that will impact students in our public schools. A live map can be found at [http://www.smh.com.au/federal-politics/political-news/david-gonski-slams-abbott-reversal-on-school-funding-20140521-38071.html](http://www.smh.com.au/federal-politics/political-news/david-gonski-slams-abbott-reversal-on-school-funding-20140521-38071.html) showing that $19.26 million funding is at risk in the Menai electorate under current Federal Government plans and budgets. Below is a link to the latest YouTube video on the importance to our schools of the Gonski funding over the full six years. The animation explains in a simple and accessible way the Gonski funding model. The YouTube clip is only 1 min 30 seconds long. Please cut and paste this address in your browser and share this video with your friends and family as I will share it with the school community.

E McNALLY

**Deputy Principal’s Message**

I am delighted to share some really good news about ex student Anna Markey. Her parents recently wrote—“Anna Markey attended Menai High School from 2008 to 2011. This year she commenced her degree in Veterinary/Biology/Veterinary Science at Charles Sturt University (CSU), Wagga. Recently, Anna was awarded one of 16 national Horizon Scholarships for 2014 by the Rural Industries Research and Development Corporation, which provides $5000 funding per course year (total of $30,000) and other leadership development activities. Anna is enormously proud to have received this award. At Menai High, Anna studied agriculture under Ms Sheree Bourke. Ms Bourke’s tutelage of Anna played a major role in her entry to veterinary science at CSU and acquiring the skills and experience underpinning her Horizon Scholarship award. Ms Bourke’s dedication, leadership, practical direction, agricultural and scientific skill, and constancy of application (to all her students) are exemplary. Teachers of the caliber of Ms Bourke make important contributions to the lives of children. We wish formally to thank Ms Bourke for the important positive contribution and influence she has made to Anna’s life, and consequently she has made to our family.” I am indeed proud of the work of Anna, Ms Bourke and the many others on our staff that show the same dedication, care and commitment to our students.

R ALLEN

**2015/16 World Challenge—Borneo Trip**

Reminder—there will be a parent information night at 6.30pm on Tuesday 10th June held in the TLS regarding our next World Challenge-Borneo Trip. Notes were given to students last Friday.

Welfare News!

Good News

Ms Osborne would like to acknowledge the commitment and hard work shown by the following HSC Dance composition dancers since Term 4 last year. They have been involved in weekly rehearsals since learning the HSC Dance student’s compositions for the practical examinations in term 3. The dancers are Maggie Moran, Melody Lewis, Christina Tsafis, Sarah Clark, Katerina Papdakis, and Lauren Constantine. Great work girls.

To Isabella Militech, Rachael Mo, Adam Douglas, Shania Kalan and Sarah Ragheb in Ms Colliss’ Year 9 Art class for handing in outstanding persuasive responses in Art. They wrote with skill and understanding beyond their years.

Well done to the Senior Girls Oztag team from Ms Colliss. Not only did the girls have a fantastic win over Cronulla last week, they are also becoming recognised in the competition for their fantastic sportsmanship when they play.

Synergy Leadership Conference

An exciting opportunity is available to Year 9 students who are looking at taking on leadership roles in the school. The Synergy School Leadership Conference is being held next term at Sutherland and the day looks at aspects of leaderships and the skills and qualities that are needed to help make people an effective leader. Mrs Ferraro is currently taking names of any students who might be interested in attending. Any Year 10 students who did not have an opportunity to attend are also welcome. They can see Miss Bessell or Ms Scevity to enquire.

Y Mazoudier, Head Teacher, Welfare

Wellbeing Wisdom

Teenagers seeking independence

Knowing how much freedom and responsibility to give your teenager is difficult, especially if they’re your eldest or only child. To become capable adults, teenagers need to learn to make good decisions on their own and have opportunities to show you they can. The Raising Children Network website has a wealth of expert information and guidance for parents of teens and younger children. If your child is testing the boundaries and pushing for more independence, you may find the article ‘Shifting responsibility to your child’ worth reading. Go to www.bit.ly/1jCxKhe

R. Hatzi and the Wellbeing Wisdom Team

Mathematics Competition

The Mathematics Competition will be held on Tuesday 12th August, 2013 for Years 7 to 12. Entry is $9.00 payable (in an envelope) at the Front Office by 20th June, 2013.

G Low/C O’Donnell, ICAS Coordinators

Menai High School proudly presents the 2014 Creative and Performing Arts Concert

The concert highlights the diverse creativity of students who study Dance and Music across Years 7-12. The evening includes a variety of items from the Junior and Senior Dance Companies; HSC Dance; guitar ensemble; concert band; stage band and HSC Music. The evening will also be the debut performance for the newly formed Menai High Choir. Additionally, two exciting projects in which Menai High school collaborated with local primary schools to create links in the field of Dance and Music will also be performed. The evening is an excellent opportunity for parents, families and friends to celebrate student success for Semester One.

Date: Thursday night 12/6
Time: 7:00pm

Tickets can be purchased on the night at the school hall from 6:00pm-Adults $10; Children/ Pensioners $5; Family $20

Parent/Teacher Night

Our first Parent/Teacher Night this year will be for Years 7, 10 and 12. It will be held on Tuesday 24th June in the School Hall from 4pm to 7pm. Appointments will be booked online and students will receive information regarding booking procedures this week.

We encourage all parents/caregivers to take advantage of this valuable opportunity to meet their child’s teachers to discuss any issues of concern or to discuss processes which will further enhance learning.

15 Years Boys Soccer
The 15 years Boys Soccer team have progressed through to the Regional Semi Finals of the Bill Turner Cup Knockout Competition. The team recently defeated Heathcote High School 2-1 and then Inaburra High School 3-1. The team consists of—

Dylan Locaputo-Panagis (Captain), Ethan Macky, Cameron Hyde, Lachlan Wilmore, Harrison Tasker, Josh Johnson, Tom Gow, Adam Tanevski, Pat Moroney, Coen Emmenegger, Luke Saunders, Brayden Holdstock, Jordan Macbeth, Mohammad Almeer, Kurtis Beare, Zac Kissur and Phil Dimitriev. Congratulations to all the boys, and good luck in the semi finals.

M Robinson, Coach

CHS Open Girls Football Regional Final
A Sydney East CHS Open Girls Football Regional Final always brings together two strong competitive teams and so it was on Monday 2nd June when Menai took up the battle against Woolooware. After 66 minutes of play (with only 4 minutes remaining) and against the run of play Woolooware snuck a goal to make the score 1-0. While the cliché “there can be only one winner” is true, Menai were worthy opponents who made the opposition work all the way for their 1-0 win. Thank you to James Markovic (coach), all the parents for transport help and their encouragement of the girls. I am very proud of the whole team and there are three players deserving of a special mention—Brianna Griffin (our goal keeper), Nicole Besz for team leadership and outstanding play and Jasmin Grey of year 12 (captain and team leadership). The whole team can proudly wear the title of Regional Finalists—Kristen Agius, Nicole Besz, Alessandra Camporeale, Theodora Charalambous, Nicole Enriquez, Jasmin Grey, Brianna Griffin, Jessica Kissur, Niki Lampropoulos, Merae Papanicolaou, Adrianna Prodromou, Millie Richards, Makayla Vandenberg, Alison Willetts, Scarlett Wynn and Alex Xirocostas.

SRE News
Audacity's mission, 'Operation Christmas Child' is starting to take off. Roll Call teachers are embracing the challenge and encouraging our kids to get behind the cause. Ms Hamilton and Mr El Masri, our Year 8 Advisers have challenged Year 8's to own this Mission and show the rest of the school they are serious about making a difference. 8R7 filled 9 boxes in one day! That's amazing. Thank you to the families for supporting your kids. With 3 weeks remaining, there is plenty of time to bring your boxes in. Our Menai community is on track to make a huge impact.

If any family would like to make a $9 donation to cover the postage cost of a box, place the money in an envelope labelled 'Operation Christmas Child' attention Mrs Bennett and leave it at the front office. Audacity and the SRC appreciate your contribution.

We also accept donations of 'NEW' goods for the boxes. Small soft toys, t Shirts, singlets, pencils, textas, pencil sharpeners, diaries, journals, tooth brushes, tooth paste, soaps, tennis balls, etc. These items will be added to boxes where needed.

If you have any questions please call, Meikle Bennett on the school number. Thank you Menai High families, together we are making a difference.

M Bennett

### Job Jump Careers News KLA Bulletin

**IMPORTANT MESSAGE** to Parents - If you know students have a talent, this is a great way to encourage them. Please encourage them to take part in those events mentioned below.

### HSC SUBJECT KLA / FACULTIES

**CAPA**
- Dance, Drama, Music, Visual Arts
- Sydney Design Festival
- 16 August – 24 August
- Powerhouse Museum
- New and innovative design practice.
- Contact: 02 9217 0222 or education@phm.gov.au

**Australian Institute of Music**
- July School Holiday Workshops
  - 1 July – 3 July
  - 1-55 Foveaux Street, Surry Hills
  - 3-day workshop, industry professionals. Develop technical and ensemble performance skills.

**Australian International Conservatorium of Music**
- Scholarship Competition
  - Closes 22 June
  - Singers, musicians and composers - win a Bachelor of Music (Performance) scholarship valued at $50,000. Submit an audition video performing a song. The top 20 entries go into a final video vote.

**National Indigenous Music Awards: Unsigned Act**
- Upload your track to the Triple J Unearthed Site by 11 July
  - Triple J with National Indigenous Music Awards (NIMAs) to find the best unsigned Indigenous act. Chance to perform at the NIMAs in Darwin in August (airfares and accommodation provided).

**Sydney Film School**
- Tour and Information Night
  - 25 June, 6.30pm
  - Contact: (02) 9698 2242 or events@sydneyfilmschool.com

**Billy Blue College of Design**
- Discovery Day and Day in the Life of a Designer Workshop
  - **Day in the Life of a Designer Workshop**
    - 12 July, 171 Pacific Highway, North Sydney
    - 20 September, 46-52 Mountain St, Ultimo Career Discovery Workshop
    - 16 August, 171 Pacific Highway, North Sydney
  - Contact: 02 9492 3242 or info@billyblue.edu.au

**Academy of Interactive Entertainment**
- Industry Experience Day
  - 11 July - 10am to 3pm
  - Find out about local and international game development, 3D animation and visual effects industries. Students learn about the different pathways to get into the industry, what should be in a portfolio, do practical workshops using industry-standard 3D animation and game development tools. Registration is free for high school students in years 11 and 12.
  - (or 02) 8514 8800

**Raffles Course Information Evening**
- 11 June, 6.00pm – 7.00pm
  - 9 Mount Street, North Sydney
  - Raffles’ info on design and commerce courses.
  - Contact: jaimiwalker@raffles.edu.au
  - [http://www.raffles.edu.au/events](http://www.raffles.edu.au/events)
