Invitation for 2014 Year 7 Morning/Afternoon Teas

Dear Parents/Caregivers of Year 7,

Every year at Menai High School the school invites the parents of all of Year 7 to attend a Morning/Afternoon Tea in the library. The teas run for approximately one hour and involve the students from each class preparing brief presentations to showcase to their parents what they have learnt in each of their subjects. The presentations are entertaining, interactive and informative and allow students to demonstrate the insights they have gained and skills they have developed so far in high school. Following the presentations light food and drinks will be served so that parents can meet with attending teachers and fellow parents and view their child’s work as it is presented throughout the library.

Each class will present separately and the times are listed below. Please make sure that you mark the appropriate date in your calendar. More information will be given to your child regarding their individual presentations and what is expected of them.
